

The editors of

Building Military Science for the Benefit of Society

International Society of Military Sciences

announce an

Erratum

at page 136: add (*Source: Polski: Back to Basics: Research Design for the Operational Level of War, p. 75*) in the description of Table 1 after [...] *measures of rigor* and before the full stop.

We regret this error, which happened in the final layout.

This Erratum sheet is kept up to date on the website of our publisher at:
